Don't Judge: "Pray do not find fault with the man who limps or stumbles along the road.

Unless you have worn the shoes he wears, or struggles beneath his load.

There may be tacks in his shoes that hurt, though hidden away from view.

Or the burden he bears, placed on your back, might cause you to stumble too.

Don't sneer at the man that's down today, unless you have felt the blow.

That caused his fall, or felt the shame that only the fallen know.

You may be strong, but still the blows that was his, if dealt to you.

In the self *same* way at the self same time, might cause you to stagger too.

Don't be harsh with the man who sins, or pelt him with word or stone.

Unless you are sure, yea double sure that you have no sins of your own. For you know perhaps if the tempters voice should whisper as soft to you. As it did to him when he went astray 'would cause you to falter too'.

The Eucharist: I am asking everyone in the parish to read and to pray chapter six of St John's Gospel. In fact I feel that everyone should know chapter six of St John's Gospel by Heart. It is central to our faith in the real presence of Christ in the Eucharist, and the Eucharist is central to our Christian Faith. This chapter begins with the multiplication of the loaves and fish, and in telling this historical story St John tells us the parts of the Mass, as it has existed from the beginning. He continues by telling us through the words of Christ at the Last Supper, and through the words of the priest who acts in the person of Christ, that Jesus is really truly and substantially present under the bread and wine. Jesus is not symbolically present. He is really truly and substantially present. Unless we believe this our faith is in vain.
