**Trocaire:** The crisis in Ukraine is a devastating humanitarian disaster, which people in Ireland is responding to with deep compassion. The most effective way to provide support to the people of Ukraine is to donate money to humanitarian agencies that are working on the ground in Ukraine and Poland, like Trocaire. Trocaire is working with Caritas Ukraine and Caritas Poland who are supporting people both within Ukraine and people who have managed to cross the border. They are supplying shelter and essential supplies including food, blankets and hygiene supplies.

However Trocaire have appealed that we not forget the many millions of people who are already facing similar crisis around the world, and are also facing famine. Millions of people in countries such as South Sudan Somalia, and the Democratic Republic of the Congo are displaced by conflict, and risk being left with no support as the world focuses on Ukraine. *Trocaire has a separate and specific appeal for Ukraine.* We highly commend that members of the public express their kindness and compassion to people fleeing conflict everywhere, by making their donations to Trocaire Ukraine appeal in addition to their donation to Trocaire Lenten appeal. The generosity of the people of Ireland is deeply appreciated. Every cent, and euro donated to Trocaire will be used to support people and insures that nobody is left out. This is a very great request but we know that people will respond generously. It is by giving that we receive. Give what you can and God will reward you!

**Prayer Fasting and Almsgiving.** We are in the season of Lent and Jesus asks us to pray, to fast, and to give alms. In fasting it is important to Pray. Prayer gives meaning to everything we do. Prayer changes a heart of stone into a heart of flesh. So let us pray and pray during these times for our God is waiting to answer our prayer. Our God is a God who has experienced suffering, and with outstretched arms is calling us to himself. As we look at our TV Screens we become emotional, we see tears flow from the eyes of Mothers and Fathers as they separate at border crossings, children hanging on to fathers who must turn back, and mothers weeping as they must go forward to a world they do not know. We are reminded that they are calling on us to pray for them, and their families for only God can bring something great out of such suffering. God round the Stations of the Cross.
